

REMARKS/ARGUMENTS

In the Notice to File Missing Parts dated November 14, 2003, the Examiner noted that Figures 8c and 8d as described in the specification were omitted from the application. This is due to a typographical error in the Brief Description of the Drawings listing Figures 8c and 8d when none existed.

As a result paragraph [0012], page 4, of the application has been amended to correct minor errors of a clerical nature and does not add new matter.

If, in the opinion of the Examiner, an interview would expedite the prosecution of this application, the Examiner is invited to call the undersigned attorney at the telephone number listed below.

The Office is hereby authorized to charge any fees, or credit any overpayments, to

Respectfully submitted,
